- Weight:** 40 to 70 pounds depending on options.
- Dimensions:** 27½" wide, 18" deep, 40½" long
- Mounting Options:** Wall mount and Pedestal mount in single or back-to-back.
- Security:** All exposed fasteners are pin-in-head type.
- Side Accent Panels:** 1. Reflective decal in four standard colors, other colors are special order.  
2. Baked enamel porcelain available in five standard colors, other colors are special order.
- Enclosure Color:** Black is standard, other colors available on special order.
- Writing Shelf:** Slanted writing shelf with universal directory mounting plate. Stainless steel shelf and directory shelf optional.
- Directory Facility:** Fortec directory swingaway binders available for use with the directory mounting plate or optional directory shelf.
- Signing:** Lighted front tempered glass lens. Interior lighting. Tempered glass side panels.
- Graphics:** 1. "PHONE" only in blue, white, brown, or black.  
2. Other graphics are available.
- Light System:** Standard fluorescent lamp. Photo sensor control and circuit breaker are optional.
- Features:** 1. Handset design facilitates quick recognition. Enclosure becomes its own sign with no need for additional signage.  
2. Corrosion resistant, vandal/graffiti resistant.  
3. Decal or porcelain accent panels allow enclosure to coordinate colors with customer site.  
4. Lightweight, easy one-man installation.  
5. Can be refurbished and recycled.  
6. Advertising space on either side of phone.
